Subject: Your application for access to documents – Ref GestDem No 2014/959

Dear Mr. De Clerck,

We refer to your e-mail dated 20/02/2014 (Ares ref. (2014)424527) in which you make a request for access to documents, registered on 20/02/2014 under the above mentioned reference number. You have requested a complete list of meetings held on the TTIP with external stakeholders and full minutes and list of participants from 1 July 2013 onwards.

As you may be aware, in June 2013, the European Commission held a public consultation event on the TTIP, inviting a vast number of stakeholders from industry, technical community and civil society. The event was advertised publicly and details are here <http://ec.europa.eu/digital-agenda/en/news/eu-us-transatlantic-trade-and-investment-partnership-ttip-stakeholder-meeting>.

After this event, DG CONNECT was requested for meetings, which took place as follows:

- Dell on 5 September 2013
- Deutsche Telekom on 26 September 2013
- ETSI- on 18 October 2013

- British Telecom on 9 December 2013
- Telefonica on 12 December 2013
- The European broadcasting sector also asked to discuss TTIP during its regular media talks held on 6 December 2013.

Meeting reports exist and are annexed for the meetings with ETSI, Deutsche Telekom and the European broadcasting sector.

The documents to which you have requested access contain personal data (list of participants).

Pursuant to Article 4(1) (b) of Regulation (EC) No 1049/2001, access to a document has to be refused if its disclosure would undermine the protection of privacy and the integrity of the individual, in particular in accordance with EU legislation regarding the protection of personal data. The applicable legislation in this field is Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data¹.

When access is requested to documents containing personal data, Regulation (EC) No 45/2001 becomes fully applicable². According to Article 8(b) of this Regulation, personal data shall only be transferred to recipients if they establish the necessity of having the data transferred to them and if there is no reason to assume that the legitimate rights of the persons concerned might be prejudiced.

We consider that, with the information available, the necessity of disclosing the aforementioned personal data to you has not been established and that it cannot be assumed that such disclosure would not prejudice the legitimate rights of the persons concerned. Therefore, we are disclosing the documents requested expunged from this personal data.

If you wish to receive these personal data, we invite you to provide us with arguments showing the need for having these personal data transferred to you and the absence of adverse effects to the legitimate rights of the persons whose personal data should be disclosed.

In case you would disagree with the assessment that the expunged data are personal data which can only be disclosed if such disclosure is legitimate under the rules of personal data protection, you are entitled, in accordance with Article 7(2) of Regulation 1049/2001, to make a confirmatory application requesting the Commission to review this position.
