We will give plenty of announcement during the camp on when these will take place, how it can work, and how you can express what you would like to talk about and share, or alternatively if there is something you would like to learn, we will try and match you up with people to do this.

You are welcome to contact [sophie.manson@foeeurope.org](mailto:sophie.manson@foeeurope.org) if you already think you have something to talk about.
